

### Annexure 2.3 - How to create profiles of CRPs-EP/Data Collectors

- a. Using the BRC login, the facilitator creates the profiles of CRPs-EP/data collectors by filling their details and then allocates the CRPs-EP to the mentor.
- b. Once the profiles of CRPs-EP/data collectors are ready and allocated, the mentor uses the Mentor login and the BPM-SVEP uses the BMMU login to give feedback to the CRPs-EP/data collectors.
- c. Once the feedback giving process is complete, the facilitator can use the BRC login to approve the CRPs-EP/data collectors and assign them villages for the surveys.
